

Quarterly Review Report — Land Records Modernisation, July-September 2026

Report No. RLR/QR/2026-27/02 **Prepared by** Divisional Monitoring Cell

1. Summary

During the quarter the Division received 4,912 applications for certified copies of land records against 4,388 in the previous quarter. Average time to issue a certified copy fell from 9 working days to 6. The Division employs 47 record keepers across 5 blocks, of whom 31 have completed the scanning-software training.

2. Applications received by block

Block	Applications	Pending at quarter end
Rajgir	1,204	62
Islampur	987	48
Hilsa	803	71
Asthawan	1,266	39
Noorsarai	652	84
Total	4,912	304

3. Grievances

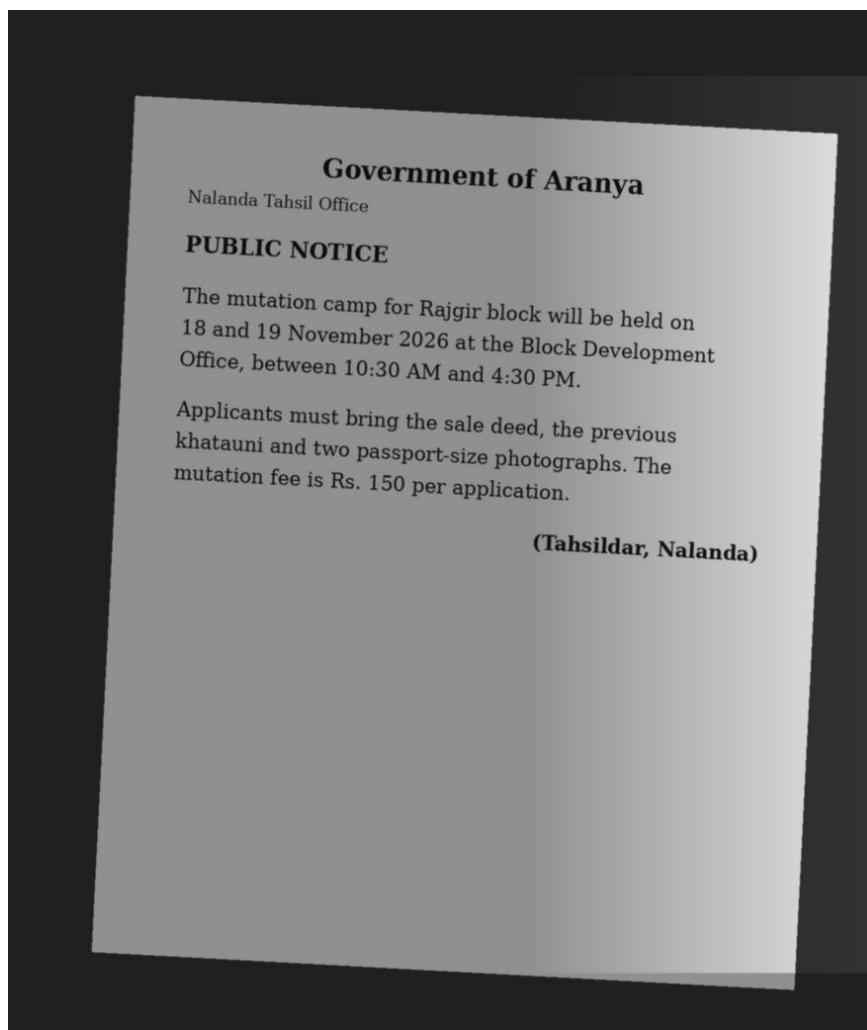

A total of 173 grievances were registered on the state portal; 158 were disposed within the prescribed 15 days, giving a disposal rate of 91 per cent. The most frequent complaint concerned delay in mutation entries.

GOVERNMENT OF ARANYA

Department of Revenue and Land Records · Nalanda Division

4. Field notice of the Rajgir mutation camp

The Tahsildar's public notice for the Rajgir mutation camp, as displayed on the Block Development Office notice board and photographed by the inspecting officer, is reproduced below for the record.

The Division notes that attendance at the previous camp was low because the notice was displayed only three days in advance.

No. RLR/Mod/2026/771 Dated 9 October 2026

SANCTION ORDER

Subject: Sanction of funds for digitisation of village land records in Nalanda Division, Phase II.

1. Sanction is accorded for Rs. 3,84,50,000 (Rupees three crore eighty-four lakh fifty thousand only) for scanning and indexing of 212 village record sets.
2. The amount is released in three instalments: 40 per cent on issue of this order, 40 per cent after 50 per cent of villages are completed, and 20 per cent after audit certification.
3. The work shall be completed by 31 March 2027. Delay beyond this date attracts a penalty of 0.5 per cent per week.

(R. K. Vasudevan)

Deputy Secretary to Government

5. Staffing and training

Training on the scanning software was conducted in three batches. Batch A (14 record keepers) completed on 22 August, Batch B (17) on 5 September, and Batch C (16) is scheduled for 19 October 2026 at the Divisional Training Institute. Each participant receives a certificate and a one-time incentive of Rs. 2,500.

Hindi summary / हिंदी सारांश

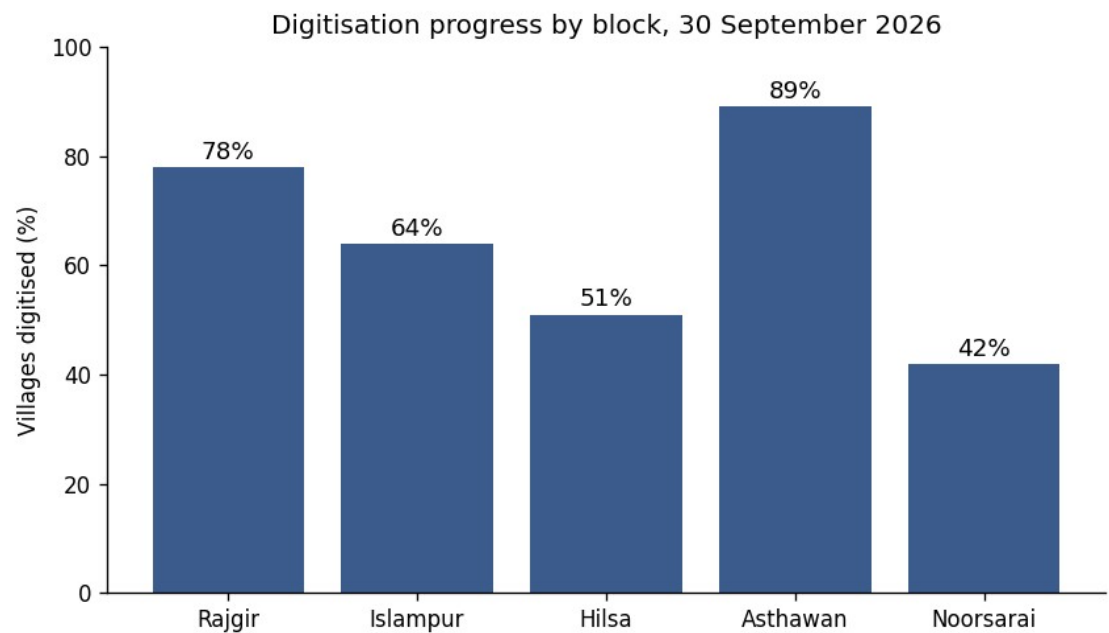

इस तिमाही में प्रभाग के 47 अभिलेख-पालकों में से 31 ने स्कैनिंग सॉफ्टवेयर का प्रशिक्षण पूरा किया। तीसरे बैच का प्रशिक्षण 19 अक्टूबर 2026 को मंडलीय प्रशिक्षण संस्थान में होगा।

Approved by:

District Collector, Nalanda

6. Digitisation progress

The chart below shows the share of villages fully digitised, block by block, as on 30 September 2026. Asthawan leads; Noorsarai lags because 11 villages still hold records in bound volumes that require repair before scanning.

Overall, 136 of the Division's 212 villages (64 per cent) are complete.
